# 2020 Report 1

I greet you in the name of our Lord and savior Jesus Christ; God was with us in every circumstance in our lives. He helped me to visit every houses of our church and prayed for them. Our Sunday fellowship and cottage meetings are going well. People are attending our prayer meetings regularly and being blessed and also please pray for my family. My children's study is over. I am confused that what to do for them. One of them is having desire to do the work of the Lord. Now I am praying for their future. I want to extend my heartfelt thank to you for your great support for my ministry and we are making good progress through your support.

By the grace of God our ministry is advancing and we are sharing the gospel with new people. I could meet a woman who has problem in walking because she has pain in her knee. She invited me to her house for prayer. I prayed, now she feels better and came in church services.

God is doing great miracles in and through our ministry. Sister Kajal was possessed by evil spirit. We prayed her and cast out the demon and now she is doing well and we gave her bible and she is reading now. One more woman, who was pregnant, went udder complicating. There was no enough fluid in her uterus. God healed her and now the baby and mother are well. All our outreach and house visiting programs are going well.
